DELINQUENT TAX OATH

The 2003 Legislature made a requirement that a person is unqualified to be the highest bidder for a property at an annual tax sale if they owe delinquent taxes to any county. NDCC §57-28-15(7)

To ensure that only qualified bidders purchase property, all bidders are required to certify that they do not owe any delinquent taxes in the state of North Dakota.

I declare that, by signing below, I hereby certify that, under the penalties of perjury, and/or under NDCC § 12.1-11-02 (4), which provides for a Class A misdemeanor for making a false statement in a governmental matter, I do not owe delinquent property taxes in Barnes County or in any county in North Dakota.
