Contact: Daniel Schwartz

Title: Planner

Office: 701-989-7970

Cell: 612-750-5731

Email: dschwartz@nexusplanco.com

Residents of Barnes County are asked to participate in a survey for the Barnes County Multi-Hazard Mitigation Plan Update. The mitigation plan is updated every five years and is necessary to apply for grant funding from the Federal Emergency Management Agency (FEMA).

Survey results will be used to identify gaps in capabilities and develop mitigation projects for the plan. The survey is available at: https://www.surveymonkey.com/r/Barnes_County_Mitigation_Survey.

The survey link is also available on the websites for Barnes County and the City of Valley City

For more information, please contact Barnes County Emergency Manager Sue Lloyd at 701-845-8510 or Daniel Schwartz at Nexus Planning & Consulting, LLC at 701-989-7970.
